Dear members

50TH ANNIVERSARY FESTIVAL OF DRIVING

Federal Council received two comprehensive proposals to hold the 50th anniversary festival of driving from:

- NSW Branch to hold the event at Borrowwa in NSW; and
- Victorian Branch and Longwood Carriage Driving Club to hold the event at Longwood in Victoria.

Federal Council would like to thank both States for their proposals.

After due consideration, Federal Council have awarded the event to the Victorian Branch and Longwood Carriage Driving Club to hold the event at Longwood in Victoria.

Federal Council requests that all States and members now get behind the Victorian Branch and Longwood Carriage Driving Club to make the festival of driving a success.

PETER LEE
Federal President
