## CLUB RALLIES

18 May 2020

Dear Members

Federal Council has been asked several questions following its announcement on 16 May 2020 that Club Rallies can re-commence. In responding, Federal Council also directs you to the announcements on 18 May 2020 with the Risk Guidelines post COVID-19.

The following are the questions and the responses:

**Question** 28th May is not a Saturday.

**Response** It is from 12.01am Saturday 30 May 2020.

**Question** Can only members of club running rally day attend or any ACDS member?

**Response** Members of that Club only. You should also be guided by what your State is saying. In many cases it is only those who need to be at the rally – i.e. the member driving, a groom if necessary and those necessary to run the rally. In most cases, the government/health body and many other equestrian bodies are stating “no visitors”. Also, most bodies are recommending “**arrive, compete, leave**” policy. In the case of a rally, it should be **drive**, instead of **compete**.

**Question** Presumably One Day Activity cannot be used?

**Response** No, as it is only members who can drive at a rally.

**Question** Presumably social distancing would mean only 1 person per vehicle?

**Response** Yes unless they are immediate family living in the same household.
