## CLUB RALLIES

6 June 2020

Dear Members

Federal Council has been asked whether Competitions and Park Drives can take place.

On 16 May 2020, Federal Council advised that as part of the easing of restrictions on activities, Clubs could organise Club Rallies.

Federal Council has not eased any further restrictions at the current time.

As a result, the answer to the question that has been asked is that no Competitions or Park Drives can take place at the current time.

PETER LEE  
Federal President
