Dear Members

## **Revised Date For 2021 Annual General Meeting**

Federal Council wishes to advise that the revised date for the 2021 annual general meeting is **Wednesday 4 August 2021 at 7.30pm** and will be conducted online.

There will be no change to the other arrangements previously notified to members in regard to the pre-registration, voting, proxy appointments and questions and answers.

**For those members that have already indicated that they will attend the annual general meeting, or who have already appointed a proxy, or who have already voted, you do not need to complete these actions a second time. Your attendance, appointments or votes already count.**

Members have asked about the reasons for the postponement of the original date of the meeting. There are several reasons including conflicting advice from Access Canberra, and the audited financial statements were not complete at the earlier date as the accounting system corrupted and it took some time for the proprietary licence holders to rectify the problem and then for the Federal Treasurer to verify the financial records prior to audit.
