20 October 2021

Applies to:

Rules for Australian Carriage Driving Society **COMBINED DRIVING EVENTS**
3rd Edition effective: 15 October 2020

Amended Rule 939.1

Old Rule

Pneumatic tyred carriages, with a minimum 125cm wheel width, may be used in their own class at Levels 3 & 4 events. They are not eligible for grading points.

Amendment

Pneumatic tyred carriages, with a minimum 125cm wheel width, may be used in their own class at Levels 2, 3 & 4 events. They are not eligible for grading points. **Exemption is given for the use of pneumatic tyred vehicles for VSE at Level 2, 3, and 4 events for a period of time ending on the 31 July 2022. This is to allow time for all vehicles to meet compliance. The type of wheels that are excluded from this exemption are Pushbike, BMX and Trotting type wheels.**
