

Dear Tom,

Please find enclosed my resume and nomination from.

I have been an ACDS member for over ten years, initially in NSW before moving to Victoria. At Club level I have held both Secretary and Treasurer positions.

Currently I am the Victorian State Secretary and also the Show Driving Convenor.

As a qualified Veterinary Nurse, working in the industry for over seven years, I have enjoyed officiating as TPR Steward at many CDE's.

Having competed and officiated in all ACDS disciplines, I believe this has given me valuable experience and understanding of the importance of each discipline within the Society.

I have organized and successfully run multiple State Show Driving and Driven Dressage Championships and have been on the Organising Committees for Combined Driving Events for a number of years.

My wish is to see the ACDS move forward into the future throughout Australia, and I believe that by working with others at the Federal level I will be able to listen and bring forward all members views and ideas fairly and without hidden agendas.

I have the necessary skills required to fulfill the position of Federal Secretary; in particular my computer skills, diplomacy and meeting procedure protocol.

I look forward to the opportunity to represent all members at a level playing field.

Kind regards

Alexander McGuire
